

Pluto Home Learning Grid w/b Monday 23rd March

Find a book. Carefully copy the cover. Colour it in. Write the name of the author. Write the name of the illustrator. Write sentences to say what the book is about.	Ask an adult to read you a story. Together think of 3 questions about the book. Write the questions and answers in your jotter.	Choose 5 sounds that you have learned. Find words that have these sounds. Write the words in lists. Write a sentence with a word from each list.	Choose 10 of our common words. Write each word 3 times each. Write 5 of them in super sentences. Remember your capital letters and full stops.	Choose 10 of our common words. Write them in colourful writing, bubble writing or dotty writing.
Find materials at home to add two numbers together. You can use your jotter to write down the sums you have made.	Ask an adult to say a number. Count up in tens from that number. Count down in tens from that number. Repeat with new numbers.	Using a clock in your house practise telling the time. In your jotter write down the time that you eat your lunch, the time you eat your tea and the time you go to bed.	Find the Topmarks website. Practise your sums on 'Hit the Button.' Try to beat your score. https://www.topmarks.co.uk/maths-games/hit-the-button	Ask an adult to say a number. Count up in ones from that number. Count down in ones from that number. Repeat with new numbers.
Get your heart racing by doing some exercise! Run on the spot or up and down the stairs, do some skipping, hopping or even help clean the house!	What's your favourite song? Listen to it each day and dance along to it. Can you make up your own dance for it? At the end of the week, perform your routine to a family member.	Draw a picture of something that you did in Science Week. Label your drawing. Write sentences about what you did, what happened and why it happened.	Think of a job that someone does. Draw a picture of the person and some of the things that they might use for their job. Write sentences about the person and their work.	What would you like to be when you are older? Draw a picture of yourself doing your dream job. Write two sentences about what that job is and why you would like to do it.
Draw a picture of your favourite day in P2. What were you doing? Who were you with? Use any materials you have at home to make your picture bright and colourful.	How many different birds can you see in your garden/outside area? Keep a record of these in your jotter.	Create a hand washing poster for your family. Make it bright and colourful. Display it so that your family will remember your message.	Play a game with an adult. It could be a board game, a computer game, a word search or a puzzle. Keep a record of the games you have played and who you played them with.	Choose a window in your house. Draw a picture of some of the things that you can see. Colour and label your picture.
