|                       |   | Venus Home Learning Grid   | w/b 23 <sup>rd</sup> March  |   |
|-----------------------|---|--|---|---|
| Literacy              | Imagine you are on an expedition to<br>the Amazon rainforest. Write a series<br>of diary entries (at least 3) about your<br>trip.<br>Write about animals, weather,<br>location, accommodation, activities.<br>Remember to include your thoughts<br>and feelings.                                  | Prepare a presentation/fact-file about<br>either an animal from the rainforest<br>or an animal that you like.<br>Include details about food, habitat,<br>features, predators/prey etc.   | Create a book review for a book of<br>your choice. You could write it,<br>video/record it, design a poster – be<br>as creative as you can.<br>Consider the key events,<br>character(s), favourite/memorable<br>parts and why? Don't forget to think<br>who you might recommend it to. | Complete a list of alliteration for different<br>animals.<br>Eg The tactful tree frog<br>The delightful desert fox<br>Can you turn it into a poem?  |
| Maths                 | Go on a shape hunt around your<br>home. See how many 3D objects or<br>examples of 2D shapes you can find.<br>Collect them and create a display or<br>use them to build something different.<br>Try to name as many shapes as you<br>can and describe their properties<br>(edges, faces, vertices) | Practise telling the time by creating a<br>timetable showing when you<br>complete different activities, eg<br>waking up/going to bed, meal times,<br>going for a walk etc. Try to use both<br>analogue & digital times if you can.                   | Using supermarket receipts,<br>calculate how much your family<br>spends on the weekly shopping.<br>Or ask if you can help with a real or<br>pretend online shopping order –<br>look out for cheap deals and<br>calculate the totals as you go.  | Practise your times tables by timing<br>yourself to say/write certain times tables.<br>See if you can get faster each time or you<br>could have a race with a brother/sister/<br>parent!  |
| Health &<br>Wellbeing | Choose a favourite song and create an<br>exercise/dance routine to go with it for<br>the whole family to take part and<br>enjoy!  | Think of a job that you might want to<br>do in the future. Draw a picture of<br>you doing this job and write about<br>what skills/attributes you may need<br>for this job, why you want this job<br>and what you will have to do to<br>achieve it.   | Play a game with an adult. A board<br>game, a computer game, a<br>wordsearch or a puzzle. Keep a<br>record of the games you have<br>played and who you played them<br>with.   | 50 things to do before your 11 3/4<br>List is attached!<br>Complete as many of the activities as you<br>can. Keep evidence by taking photos and<br>writing about your experience.   |
| Торіс                 | Research the plants and animals that<br>live in a rainforest.<br>Create food chains or food webs to<br>show how the energy is transferred.  | Create a presentation of everything<br>you have learned so far about<br>rainforests to share with your family.<br>You could make a power-point, a<br>poster, a fact-file, a video or written<br>report or you could even write a<br>songbe creative! | Create an A to Z of things that live in<br>a rainforest.<br>You can include pictures if you wish.   | Imagine you are a scientist and have been<br>on an expedition in the Amazon rainforest<br>where you find a new species of animal or<br>plant that has never been discovered<br>before! Draw what it looks like and list or<br>label its features and don't forget to give<br>it a fantastic name! |
| Science               | Draw a picture of something that you<br>did in Science Week. Label your<br>drawing and write about what you did,<br>what happened and why it happened.  | As the weather (hopefully) warms up,<br>observe & record the changes that<br>take place in a plant or tree in your<br>garden or close to your home.  | Go on a walk and look for animal<br>tracks.<br>See if you can identify what they<br>are.<br>Draw them or take pictures of them.   | Global warming-fact or fiction?<br>Find out about each side of this debate<br>and write a balanced argument about the<br>issue.   |

50 Things to do before you're 11 ¾

| 1.Get to know a tree          | 11.Explore on wheels        | 21.Forage for wild food       | 31.Make friends with a bug            | 41.Help a plant grow                   |
|-------------------------------|-----------------------------|-------------------------------|---------------------------------------|--|
| 2.Roll down a really big hill | 12 Have fun with sticks     | 22.Find some funky fungi      | 32.Float in a boat                    | 42.Go swimming in the sea              |
| 3. Camp outdoors              | 13.Make a mud creation      | 23.Get up for the sunrise     | 33.Go cloud watching                  | 43.Help a wild animal                  |
| 4. Build a den                | 14.Dam a stream             | 24.Go barefoot                | 34.Discover wild animal clues         | 44.Watch a bird                        |
| 5. Skim a stone               | 15.Go on a wintry adventure | 25.Join nature's band         | 35.Discover what's in a pond          | 45.Find your way with a map            |
| 6. Go welly wandering         | 16. Wear a wild crown       | 26.Hunt for fossils and bones | 36.Make a home for wildlife           | 46.Clamber over rocks                  |
| 7. Fly a kite                 | 17.Set up a snail race      | 27.Go stargazing              | 37.Explore the wonders of a rock pool | 47.Cook on a campfire (ask an adult!)  |
| 8. Spot a fish                | 18.Create some wild art     | 28.Climb a huge hill          | 38.Bring up a butterfly               | 48.Keep a nature diary                 |
| 9. Eat a picnic in the wild   | 19.Play pooh sticks         | 29.Explore a cave             | 39.Catch a crab                       | 49.Watch the sunset                    |
| 10. Play conkers              | 20.Go paddling              | 30.Go on a scavenger hunt     | 40.Go on a nature walk at night       | 50.Take a friend on a nature adventure |
