

Saturn Home Learning Grid - Week Beginning 4th of May

BIG QUESTION: What would it be like to visit Paris?

Please use the following link to inspire your learning this week: [A Lion in Paris](#)

<p>Phonics</p> <p>Choose 10 of your sounds and write words that have those sounds in elkonin boxes.</p> <p><i>For example</i></p> <table border="1" data-bbox="107 467 248 504"> <tr> <td>wa</td> <td>tch</td> </tr> </table> <table border="1" data-bbox="107 536 329 572"> <tr> <td>s</td> <td>ch</td> <td>oo</td> <td>l</td> </tr> </table> <p>Listen out for sounds you have learned in 'A Lion in Paris'. How many can you hear?</p>	wa	tch	s	ch	oo	l	<p>Sentence Strips</p> <p>Write down the main events of 'A Lion in Paris' in time order. Cut them into strips and mix them up.</p> <p>Can you put the story back in the correct order?</p> <p><i>Please use the read aloud video of 'A Lion in Paris' on our school YouTube Channel for this activity.</i></p>	<p>Letter Writing</p> <p>Imagine that you are the lion. Write a letter home to your family and tell them about your adventure. Can you also tell them how you felt on the trip - what made you nervous, excited, happy, proud, sad?</p> <p><i>Please use the read aloud video of 'A Lion in Paris' on our school YouTube Channel for this activity.</i></p>	<p>Visualiser</p> <p>First draw a picture of the lion from the story in the middle of your page. Next using arrows coming from the lion, surround the lion with facts you have learned about him from the story. What describing words would you use to describe his personality? Record your answers around your lion.</p> <p><i>Please use the read aloud video of 'A Lion in Paris' on our school YouTube Channel for this activity.</i></p>	<p>Common Words</p> <p>Choose 10 of your common words.</p> <p>Can you write super sentences about Paris or 'A Lion in Paris' using your words?</p> <p>Remember to read over what you have written to make sure it makes sense. Ask someone at home to check your sentences.</p>
wa	tch									
s	ch	oo	l							
<p>French Numbers</p> <p>Create a poster to help you learn the numbers to 20 in French. Use this Youtube video to help you with the spelling and order of the numbers.</p> <p>https://www.youtube.com/watch?v=UsEz58BbIMY</p> 	<p>Multiplication Catch</p> <p>Choose which times table you are going to practise. Now throw a ball (or cuddly toy) in the air, when you catch it you say the next number in the sequence (3, 6, 9, 12, 15, ...) How far can you continue? Can you do better next time?</p> <p>You can vary the exercise by throwing the ball via a wall, or under your leg. Or you could ask someone to join in and throw it back and forth - each person saying the next number in the sequence.</p>	<p>Snakes & Ladders</p> <p>Design your own snake and ladders game. Each box should hold an addition or subtraction sum. Try to think back to the types of sums we learned in class for example:</p> <ul style="list-style-type: none"> -2 digit add 1 digit (45+5) -2 digit add a tens number (34+40) -2 digit add a 2 digit (23+16) <p>Play the game with a brother/sister/parent/carer. If you don't have a dice you can use a stack of cards with the numbers 1-6, mix them well. Remember you don't always have to solve the sum in your head. Use a scrap piece of paper and a pencil to help you.</p>	<p>Matching Times</p> <p>Cut up pieces of paper until they are post-it note sized (or use post-it notes if you have them).</p> <p>Write a time and then draw what that time would look like on an <i>analogue</i> clock.</p> <p>On separate pieces of paper write the same time but draw what it would look like on a <i>digital</i> clock.</p> <p>Mix up the paper and play a matching game.</p> <p>You could turn the paper over and play a game of pairs with someone else.</p>	<p>Time Challenge</p> <p>Write down 5 things you do at home (e.g. have breakfast, go for a shower, have a walk...).</p> <p>Time how long it takes you to do these things and put them in order from shortest to longest.</p> 						

<p><u>French Food</u></p> <p>Watch Barbaby Bear's 'Culinary tour of France'</p> <p>https://www.bbc.co.uk/bitesize/topics/zttfcdm/resources/1</p> <p>Research some French food and write a 3-course menu with starter, main and dessert.</p> <p>You could have a go at making and eating some French food if you have the ingredients you need.</p> 	<p><u>French Friends</u></p> <p>The French word for "a friend" is un ami (for male friends) or une amie (for female friends). ...</p> <p>To say "my friend" in French, it's mon ami or mon amie.</p> <p>In school, we learned to say "is called..." (s'appelle).</p> <p>Draw a picture of your friends and label them with their names</p> <p>"Mon ami s'appelle..."</p> <p>"Mon amie s'appelle..."</p>	<p><u>Cereal box challenge - balance and agility</u></p> <p>A game to play on your own or with the family.</p> <p>Start with an empty cereal box placed on the floor.</p> <p>The aim is to pick the box up with your teeth without touching the floor with your hands or your knees and get back up to a standing position. Everyone involved in the game has a go and if you touch the floor you are out (you might decide to can have 2/3 goes). When everyone has had a go, rip a short section off the top of the box all the way around to make it shorter - approx. 2 cm. Then start round two. The game ends when there is only one person left or you just have the bottom of the box left.</p>	<p><u>Fitness stations</u></p> <p>Why not create your own fitness stations? Mark out 3 areas so that at each area you do a different exercise for 1 minute.</p> <p>For example at station 1 you could run on the spot. Station 2 you could do squats. Station 3 you could do star jumps. Get an adult to help time the minute.</p> 	<p><u>French</u></p> <p>Watch and join in with the French number song to practice counting to 20. Can you play hide and seek with someone at home - can you count up to 20 in French</p> <p>https://www.youtube.com/watch?v=UsEz58BblMY</p> 
<p><u>French Counting Challenge</u></p> <p>Complete the French counting challenge attached below.</p> 	<p><u>Research Project</u></p> <p>Can you research facts about a Parisian landmark of your choice and make an informative poster?</p> <p>Did you know the Eiffel Tower grows in the summer?</p>	<p><u>Collage</u></p> <p>The book's pictures are made from collage.</p> <p>Can you create your own collage of a famous Parisian landmark, with or without a lion/animal of your own choosing?</p> <p>You could recycle old magazines, leaflets and papers to do this.</p> 	<p><u>The Louvre Art Gallery</u></p> <p>The lion visited the Louvre Art Gallery. In this gallery you will find many wonderful pieces of art, including some paintings by Italian artist Guiseppe Arcimboldo. He is famous for making portraits of people using fruit, vegetables and even fish! Can you watch this video then make some Arcimboldo art of your own? You could use foods in your house to make a picture of your face or someone in your family? Or you could draw or paint your own food face masterpiece?</p> 	<p><u>Whole School French Challenge</u></p> <p>Find as many blue (bleu), white (blanc) and red (rouge) items as you can in your house to make a French flag. Take a picture of it from above and post it to your class or the school Facebook page.</p>

French counting challenge!

- Below you'll find a mixture of active and counting challenges!
- Choose which ones you would like to try and count each one in French as you are doing it.
- Add your total number the boxes below.
- Share your counting with your family, teachers and with us! #FrenchCountingChallenge
- You can use the Youtube videos on our site to help you practice!

<p>Saute à la corde!</p> 	<p>Compte les voitures dans la rue</p> 	<p>Compte des arbres</p> 
<p>Compte des oiseaux</p> 	<p>Rebondi une balle</p> 	<p>Fais la planche</p> 
<p>Joue à la marelle</p> 	<p>Fais des "keepie uppies!"</p> 	<p>Fais des sautes d'étoile</p> 
<p>Pose comme un arbre</p> 	<p>Danse le floss</p> 	<p>Compte les insectes</p> 

French	English	Notes
Saute à la corde	Skip	You can do this using a skipping rope or just skipping!
Compte les voitures dans la rue	Count the cars in the street	Count the cars you can see parked or which pass
Compte des arbres	Count trees	Count the trees you see on a walk, in your garden or around your house!
Compte des oiseaux	Count birds	Pick a location and watch for a set time, how many birds can you see?
Rebondi une balle	Bounce a ball	Bounce a ball as many times as you can. Count in French as you're doing it and note your highest score!
Fais la planche	Do a plank	Hold it for as long as you can and count in French!
Joue à la marelle	Play hopscotch	Make a hopscotch grid outside and say the numbers in French as you play!
Fais des "keepie uppies"	Do some keepie uppies!	Do as many as you can and count them up in French as you go!
Fais des sautes d'étoiles	Do some star jumps	Do as many as you can and count them in French as you go!
Pose comme un arbre	Do a yoga tree pose	Hold it for as long as you can and count in French!
Danse le floss	Dance the floss	Do as many flosses as you can and count them in French. Switch to other dances if you know them!
Compte les insectes	Count insects	Do a minibeast count. In an area outside, see how many insects you can find and note your numbers in French.
