

Whole School Challenge

Can you upcycle a plastic bottle to create a model ocean? You may want to fill your bottle with things you might find in the ocean or you could make a sea scape with paper to stick on the back of the bottle and fill with water. We can't wait to see your creations on our class Facebook pages!

Sea Creature Sentences

Watch an 'Octonauts' episode about a sea creature and talk to an adult about what it looks like and how it moves.

<https://www.bbc.co.uk/iplayer/episodes/b00xhyif/octonauts>

Can you draw a detailed picture of the creature?

Now write an interesting sentence about your creature.

Sea Creature Discovery

Watch this video and chat to someone at home:

<https://www.youtube.com/watch?v=hXtrly95V80> - under the sea, ocean animal moves (no need to subscribe to watch further).

Do you recognise any of the creatures in the video?

What questions do you have about some of the creatures you see?

Can you find answers to your questions from books/the internet with help from an older brother or sister/an adult?

ch, sh and th revision

Practise the 3 new sounds you have learned recently using this game:

Speed Splat – ch,sh,th

<https://www.youtube.com/watch?v=sUgfYriXw4M>

NEW Common words

Here are some new common words for you to learn:

- this
- that
- then

Write each common word in your jotter 3 times. Remember to position each letter correctly on the line and use finger spaces.

Practise writing each word on a tray in at least one of the following ways:

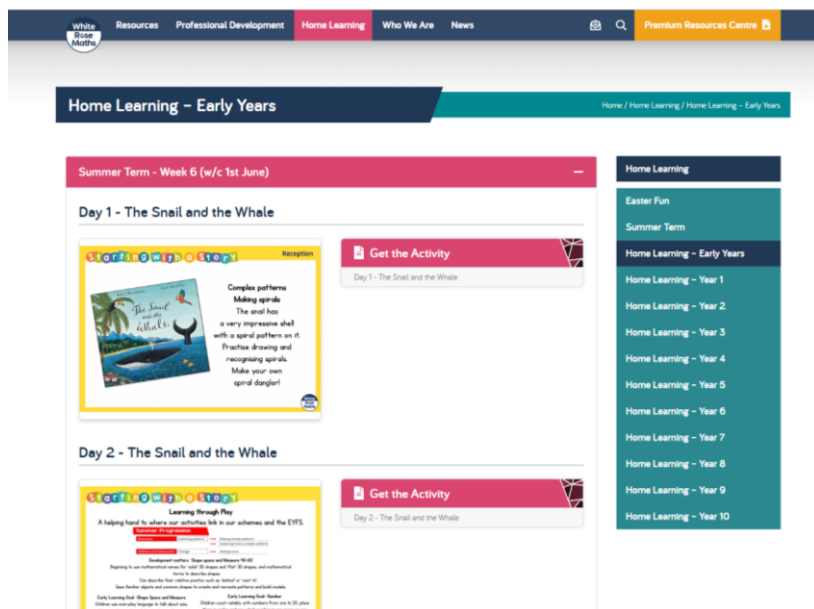

- in shaving foam
- in flour
- in dry rice

White Rose Maths

This week we'd like you to try a new Maths resource. Click on the link below:

<https://whiterosemaths.com/homelearning/early-years/>

This takes you to the 'White Rose Maths home learning early years' page. Select 'week 6 w/c 1st June' (see left hand picture below).

This week's activities are all based around 'The Snail and the Whale' by Julia Donaldson. You don't need the book to be able to do any of the activities, but you can hear your teacher read the story on your class Facebook page.

There are 5 days of activities. Click on 'Get the Activity' and this takes you to a PowerPoint of the tasks for that day (right hand picture above).

Please feel free to dip in and out of the activities, you do not have to do them all! Below is an outline of the tasks suggested on each day:

Day 1 – making spiral patterns; subtraction

Day 2 – cotton bud spirals; addition

Day 3 – tally marks

Day 4 – odd/even numbers

Day 5 – higher/lower; position words

Lego Tower Subtraction Race

You will need a dice and some Lego bricks (if you don't have Lego use any other objects e.g. stones, pens, pegs etc...)

This game is best played with a partner as the object of the game is to see who can lose all of their bricks first!

Start with 10 bricks/objects each. Build up your tower, then roll the dice.

Take off that number of bricks, and then count how many you have left.

For example: "I had 10 bricks, I took off 2, and now I have 8."

You could even write down the sums for each roll to extend the learning!

Keep rolling and removing bricks until there are none left. The first person to unstack them all is the winner!

Play again or increase the number for a longer game!

Being Kind

Watch this video reading of Julia Donaldson's sharing a shell.

<https://www.youtube.com/watch?v=VpJumAZx1t8>

Can you explain what it feels like when someone doesn't share with you?

Why do you think it is important to share?

Can you make an effort to share something with someone this week?

Yoga

Have a go at some Cosmic Kids Yoga this week!

Squish the Fish

<https://www.youtube.com/watch?v=LhYtcadR9nw>

Popcorn the Dolphin

<https://www.youtube.com/watch?v=YR1OxBk8BF4>

Norris the Baby Seahorse

<https://www.youtube.com/watch?v=iFuobePKER8>

Crab Football

Challenge someone to a game of crab football, you need to get into a crab position for this - both hands and feet touching the ground, with stomachs toward the ceiling/sky!

Only movement in the crab position is allowed for the entire game.

Players can only kick or hit the ball with their feet and/or head - no hands are allowed!

Have fun!!

30 Days Wild

If you love being outdoors, then this is the challenge for you!

30 Days Wild

Can you do something wild every day in June? Join us for our annual nature challenge. Get your free downloadable pack of goodies and take up the challenge to do one wild thing a day for 30 days in June. You'll be able to download a wallchart to track and plan your month, a nature table template, an activity passport, a colouring-in window poster, and 30 Days Wild bingo! They will also send you emails from when you sign-up until the end of the challenge, with extra resources and things to do.

<https://action.wildlifetrusts.org/page/57739/petition/1>

Floating and Sinking

Fill the bath, sink or a basin with water. Make predictions about things that will float and things that will sink.

Experiment to see if you were right.

Can you work out why some things float and some things sink?

Now try to make a boat that floats.

This video might give you an idea to get started – happy sailing!

<https://www.youtube.com/watch?v=CkvQosK03rI> - make a boat from plastic bottles

Create Your Own Coral Reef

Watch this clip of Finding Nemo:

<https://www.youtube.com/watch?v=6cP8ADcgN8U>

Nemo and his dad live in a beautiful place called the 'The Great Barrier Reef'.

Use playdough, pasta shapes, any craft materials you have or odd bits and bobs to create your own 'coral reef'.

Wavy Sea Picture

Make a picture of the sea by trying out some of these wavy writing patterns:

shutterstock.com • 772985696

Try using different writing materials like crayons, paint, pens and chalk to see which one you like the best.

5 Oceans Song

Look at a map of the world or a globe – can you see the large areas of ocean?

Watch this video song to learn the names of the world's oceans – can you point to them on your map/globe?

<https://www.youtube.com/watch?v=X6BE4VcYngQ> - 5 oceans song

Optional resources:

The following website has some excellent reading resources. When you open the website select 'Browse eBooks'. You can browse books by age or by 'Oxford Level'. Oxford Level 1, 1+, 2 or 3 will be suitable for P1. All the books are free to read, but once you've selected a book to read, you'll be asked to register before the book opens.

<https://home.oxfordowl.co.uk/>

Another website which offers reading materials is Epic. They offer a free subscription for 30 days and have a large selection of fiction and non-fiction.

<https://www.getepic.com/>
