

BE THE BEST YOU CAN BE

Pupil Leadership and Pupil Voice

August 2023

Pupil Leadership and Pupil Voice are important within Edenside Primary School. We want pupil leadership and pupil voice to have a positive impact in our school.

Pupil Leadership roles

House Captains and vice house captains

P7 pupils who want to be house captain will prepare a speech for the P4 – 7 pupils in their house to say why they should be the house captain. The P4-7s will then vote for their house captain. The runner up will be the vice house captain. When the house captains are in place, the P7s will then request to be considered for (upto 3) other leadership roles.

Sports Captains

The P7s that are interested in being the sports captains for their house will be given to Mr Sutton for him to decide who would be well placed to lead house sports activities.

School Ambassadors

School ambassadors will be asked to represent the school in community activities. They may be asked to give visitors tours of the school and talk about the school values. School Ambassadors will also support the school on Parent's evening, helping families find the right classroom and seeking family's views about the school.

Librarians

Librarians will be trained to look after books in the school library. They will ensure the school library is tidied. They will also tidy and rotate classroom books, with the advice and support from classteachers, so children access different books and texts regularly.

Prefects

Prefects will be responsible for different duties around the school, including lunch duty, setting up for assemblies, teacher tasks and corridor duty.

Play leaders

Play leaders will lead games and activities in the playground with younger pupils. They will support children during wet breaks and lunchtimes in classrooms. They will look for any children who are on their own and try to engage them in a game or activity and help them if they have a problem.

Digital Leaders

A team of digital leaders will be trained to support ipad issues and ensure shared ipads are charged. They will lead reciprocal teaching with younger children eg saving and emailing work to the teacher with pupils who are new to using speak to text.

Junior Road Safety Officers (JRSOs)

These pupils are going to lead the school's work about road safety. This will include competitions, sharing things during assembly and helping with the walking bus during walk to school weeks.

BE THE BEST YOU CAN BE

Pupil Leadership and Pupil Voice

August 2023

Buddies

All P7s will be given a P1 buddy. Buddies will be agreed at the end of P6. Buddy duty will include supporting the P1 in the classroom with specific activities; supporting P1s in the playground at lunchtimes (rota in place); supporting P1s first thing in the morning to walk from the gate to the playground (rota in place).

Student Voice

As part of the UNCRC work, student voice ambassadors will seek pupil views on various aspects of the school and community, to help inform future school improvements. (P4-6 to participate in this group, led by Miss Douglas)

Eco-committee

An eco-committee will be established in the school, to ensure the school is considering the how we can be a more eco-friendly school. (P4-6 to participate in this group, led by Mrs Fleming.)
