

## Literacy

### In Reading we will be learning to:

- Recognise an increasing number of common words
- Use our knowledge of phonics to sound out less familiar words
- Identify what has happened at the beginning, middle and end of a story

### In Writing we will be learning to:

- Make our sentences more interesting by using different sentence starters
- Remember to use a capital and a full stop in each sentences
- Extend our sentences by using simple connectives such as 'and' or 'because'

### In Listening and Talking we will be learning to:

- Be a good listener by looking at the person who is talking
- Take part in class/group discussions and share ideas

## **IDL (topic)**

This term we will be looking back to the 1970s to learn about what life was like 50 years ago when Edenside Primary School first opened. We will be comparing aspects of life in 2020 with life in the 1970s.

At the end of November we will be celebrating Edenside's 50<sup>th</sup> birthday!

## **P2 Curriculum Overview** **October to December 2020**

### How you can help at home

#### Literacy

-Look for weekly common words in the environment and in books at home.

-Continue to hear your child read and discuss the text with **who**, **what**, **where**, **why**, **when** and **how** questions.

#### Numeracy/Maths

-Count on from any given number

-Count back from any given number

-Practise adding two numbers together using fingers

-Look at clocks at home and in the environment and try to identify when it is O'clock, half past, quarter past and quarter to.

-Share your timeline with your child:

- When you were born
- When you were a toddler
- When you started primary school
- When you started high school
- When you started your first job
- When you started your current job

#### Little Reminders

- Remember to bring a filled water bottle and a snack to school each day.
- Remember to bring a coat each day and hat/gloves when required
- Please ensure that your child has outdoor trainers they can wear daily at school

## Numeracy and Maths

### In Numeracy we will be learning to:

- Count on and back from a give number
- Use a range of concrete materials to illustrate addition and subtractions calculations
- Record calculations using the standard, written method, e.g.  $12+6=18$
- Show understanding of maths symbols when writing sums, e.g.  $+ - =$

### In Maths we will be learning:

- To identify when it is quarter to or quarter past on an analogue clock
- How many minutes are in an hour
- How many seconds are in a minute
- Compare/match digital and analogue times
- Read and write the date
- To understand the 'bigger picture' of time through our 1970s topic.

## Health and Well-being

Through our Edenside learners, 'Charlie and Emily', we are learning about respect and how to show this in different situations.

We are also focusing on the wellbeing indicators and their importance for us in our lives. We will look in particular at **'safe'**.
