

Learning Grids

Hello, P6! I have made a few changes to the learning grid, so please take the time to read this information if you are not familiar with the new process. It contains sixteen tasks and you can plan to do these at times that are most convenient for you over the course of the week. All essential resources have been made available to you on Teams, so each activity will direct you to the appropriate materials. They have been clearly organised into the correct subject areas; numeracy and literacy. Simply click on the 'files' tab at the top, select home learning then **WC 1st March 2021** to access these. You have now also been provided with individual copies of the task instructions for each lesson, instead of masters. These are located in your own folders. **These working documents will be used to upload all completed learning. They should be edited to record answers and add images, eliminating the need to download texts or upload photos to different folders. These can be found on One Note under the heading 'WC 1ST March 2021.'** It is important for you to understand that not all activities require work to be submitted. Those that do are highlighted in green on the grid.

Feedback

I know that you will all be trying your very best at home, so it is important that you get quality feedback for the tasks that you complete. As you are submitting work to your individual folders, this will be provided on a separate document in One Note. Any advice to be given to the whole class will be shared on our live discussions.

Contacting Your Teacher

It is only natural to have questions about your learning and I would like to be able to answer any you may have, so you will have a few ways to ask anything you would like to know. Firstly, we have a class Facebook page which your parents or carers can access to contact me. We will also be using our class Teams 'general' channel each day. This is still our main platform for sharing ideas and resources, which is particularly important at the minute, so please feel free to continue using this space in this manner. Finally, I will be hosting a live Teams session each day at 10:00-10:30 and 3:00-3:30. This will take place in the form of a video meeting, which you will all receive an invitation to. Simply go to your class Teams page, select the 'live discussions' channel and click on the appropriate time slot. Please be assured that you do not have to participate in all of these, but you are expected to join the morning sessions.

Be the Best You Can Be

I fully understand and appreciate that this is a challenging time for you all. Continuing with your learning is extremely important, but so too is your health and wellbeing. Take time to yourself to do something you enjoy. Please also remember that we are a TEAM. Help and support each other as best you can by sharing ideas or resources or simply by encouraging one another. Even though I am unable to see you in person, please know that I am here to help and support you any way I can. You can contact me on Facebook, Teams or the live discussions and I will be happy to talk you through any questions or concerns you may have.

Miss Pennington

P6P – week commencing 1st March 2021

Books We Love (World Book Day)

Learning intention: I am learning to reflect on books I have read to create questions using who, what, when, where, how and why starters

Learn:

- Watch the video which introduces World Book Day

Task:

- Generate five questions about your favourite book

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Creative Writing (World Book Day)

Learning Intention: I am learning about the author David Walliams so I can adopt his style of writing to create a text of my own

Learn:

- Watch the Author's Live Event with David Walliams

Task:

- Use the template provided to create your own story

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Book Recommendations (World Book Day)

Learning Intention: I am learning to persuade others to read a book I have loved

Learn:

- Watch the video about book recommendations

Task:

- Create your own audible or written book recommendation

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Creating a Book Character (World Book Day)

Learning Intention: I am learning to create a Vegetepal that looks like a character from a book I have read

Learn:

- Read the information provided about Vegetepals

Task:

- Create your own Vegetepal

Please upload a photo of your Vegetepal to the 'Examples of Work' channel on Teams.

Column Addition (Numeracy)

Learning Intention: I can add two-digit numbers using column addition

OBJECTIVE

Adding 2 Digit numbers

Learn:

- Watch the video which explains the column method for addition

Task:

- Complete the 'Activity 1' worksheet
- Complete the 'Activity 2' worksheet by choosing one of the three challenges

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

All master copies of the worksheets can be found by going to P6P Teams > Files > Home Learning > WC 1st March 2021 > Numeracy > Task 1

Adding Numbers of Different Values (Numeracy)

Learning Intention: I am learning to add 2-digit and 3-digit numbers together using the column method

OBJECTIVE

Adding 2 Digit and 3 Digit Numbers

Learn:

- Watch the video which explains how to add numbers of different values

Task:

- Complete the Chilli Pepper challenge by choosing one of the three activities

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

All master copies of the worksheets can be found by going to P6P Teams > Files > Home Learning > WC 1st March 2021 > Numeracy > Task 2

Identifying Missing Numbers in Column Sums (Numeracy)

Learning Intention: I am learning to identify missing numbers in 3-digit addition problems

OBJECTIVE

Adding 3 Digit Numbers

Learn:

- Watch the video which explains how to solve addition problems with missing numbers

Task:

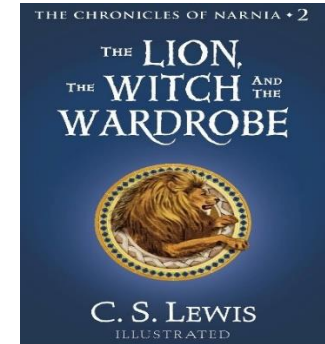

- Complete the Chilli Pepper challenge by choosing one of the three activities

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

All master copies of the worksheets can be found by going to P6P Teams > Files > Home Learning > WC 1st March 2021 > Numeracy > Task 3

World Book Day (Numeracy)

Learning Intention: I am learning to conduct a maths investigation on a book

Learn:

- Read the extract from 'The Lion, the Witch and the Wardrobe'

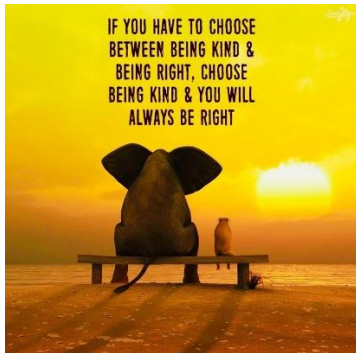

Task:

- Complete the 'maths alphabet investigation' task

Please upload a photo of your investigations to the 'Examples of Work' channel on Teams.

Being Kind to Others (HWB)

Learning intention: I am learning to understand that being unkind hurts ourselves and others

Learn:

- Read the information about being unkind
- Watch the videos about kindness

Task:

- Read the four scenarios and describe what you would do to help the people involved

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Perseverance Peaks (HWB)

Learning intention: I am learning how to persevere when I am faced with challenges

Learn:

- Read the information about perseverance and growth mindsets
- Watch the videos about perseverance

Task:

- Complete the 'Keep on Trying Wiggle' challenge **OR** the 'Perseverance Paper Puzzle' challenge.

Please upload a photo of your challenge to the 'Examples of Work' channel on Teams.

Just follow the link and find the post for WB 1st March – Lesson 2.

Greek gods and goddesses (IDL)

Learning Intention: I am learning about Ancient Greek gods and goddesses

Learn:

- Watch the video about Ancient Greek gods and goddesses

Task:

- Complete the 'getting to know the gods better' task
- Create your own Top Trump card for a god or goddess

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Mount Olympus (IDL)

Learning intention: I am learning about Mount Olympus and the myths that surround it

Learn:

- Watch the video about Mount Olympus

Task:

- Answer the questions about the real Mount Olympus **and** the place portrayed in Greek mythology

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Greek Mythology (IDL)

Learning Intention: I am learning about an influential figure in Ancient Greek mythology

Learn:

- Read the information provided about Greek mythology
- Watch the video about Hercules
- Read the information provided about Hercules

Task:

- Complete the '12 New Labours' task **OR** the 'Creating a Greek Crown' task

Please use your individual working document to submit your learning. This can be found in the folder entitled 'WC 1st March 2021.'

Greek Temples (IDL)

Learning Intention: I am developing my understanding of Greek temples so that I can create my own in a way of my choosing

Learn:

- Read the information provided about Ancient Greek temples
- Play the 'Argo Odyssey' game

Task:

- Create your own Greek temple

Please upload a photo of your temple to the 'Examples of Work' channel on Teams.

Other suggested learning opportunities:

- Complete Mathematics - ***please ensure you are practising your times tables daily***
- Reading Wise - ***log on as often as you can and continue to work through the scheme you were provided with***
- Use the following link to participate in a book quiz: <https://www.booktrust.org.uk/books-and-reading/have-some-fun/quizzes/>
- Make an origami bookmark by following the advice in this video: <https://video.link/w/jyrWb>

Your teacher will be available during the following times for a 'live' discussion:

Monday - Friday: 10:00 - 10:30am

Monday - Thursday: 3:00 - 3:30pm
