

Respectful Relationships and Anti-Bullying

Anti-Bullying week ran from Monday 13th – Friday 17th November. At Edenside we believe that bullying behaviour is never acceptable. Pupils can now inform adults in school when they wish to speak to them, upper primary pupils through the use of a QR code which sends an email to a member of staff, P1-3 pupils through a lollipop stick system. During the week we celebrated acts of kindness. Instances of pupils showing kindness were displayed on our wonderful heart display! Pupils also celebrated and thanked our support staff with random 'acts of kindness'. These included beautiful cards, special songs, handmade flowers and delicious biscuits!

Acts of Kindness

Sporting Events

It's been a very busy time on the sporting front at Edenside recently.....

P7 Hockey

The P7 classes took part in a hockey festival at Shedden Park, playing a number of games against the other Kelso Schools. All P7 pupils performed really well and produced some great results.

P5 Rugby

Edenside entered 5 teams into the rugby festival at Woodside Park. The standard was very high, but the Edenside teams rose to the occasion coming home undefeated in all games!

A fantastic effort from everyone involved.

6&7 Football

The Kelso Schools inaugural football league got underway in November on the 3G at Kelso High School. In the first round of fixtures Edenside entered 3 teams all of whom played to a very high standard and came home with a number of good results. We are all looking forward to the second round in March.

P6 and 7 Netball

8 teams from Kelso and Jedburgh entered the recent Kelso Schools Netball competition. There were some great netball skills on display with Edenside narrowly losing to Broomlands in the final.

Well done to all of the children who entered and for the time and commitment dedicated to practising.
