Fri 28 th June	P7 Guard of honour – 12.15pm – P7 families welcome to join us Last Day of Term – End of School Session, 12.50pm

P7s of Kelso Cluster Team Building

What a great day we had yesterday hosting a cluster teambuilding day for the P7s, so they get to meet some new people before they transfer to Kelso High School after the holidays.

A huge shout out to Mr Sutton for organising this for us all. **Thank You!**

Family workshops

Thank you to everyone who came along to join us for our family workshops. Feedback from people tell us that they had great fun and they enjoyed doing fun and educational tasks with the children.

Paralympics

Our children have participated in paralympic sports during PE this week. They have learnt new skills and had a lot of fun a long the way. I'm sure your children will tell you about it if you ask them.

Reverse Evacuation

The staff have agreed a procedure for a reverse evacuation. We would use this if children were in the playground / field and need to return to the building eg in a thunderstorm. We will be practicing this with the children before the end of the summer term.

Phone Lines and Phone number change

We have had very bad news from the engineers that came out to try and solve our phone problems. The system is so old, there are no spare parts to mend it.

We are working on having a new system installed, however this will take a few days. When we do have the new system in place there will be a new telephone number for the school. We will let you know this information as soon as we have it.

We have a temporary mobile number available for you to contact the school until the new system is in place, during school hours. The number is **07388 502879**.

Walk to School Week

Thank you to everyone who came along and supported our walking bus.

Thanks to the JRSOs and Mrs Fleming for organising.

Proud Cloud and Next Steps (School Improvement)

During Assembly today we talked about the school's improvement journey in 2023/24. We will be asking the children next week what they are proud of in our school and what we need to work on next.

Please follow the link to tell us what you like about our school and what we need to work on next.
