Polite Reminder

Nuts are not allowed in school – for snack or packed lunches.

Science Week

What a brilliant week we have had in school this week with our focus on Science.

ELC have been sending rockets flying! What a sight!

P1 to P7 have been exploring some new resources that we have bought, from a science grant, for use in our secret garden.

We had a sharing assembly today, where all the classes told the rest of the school about the science they have learning this week.

Ask your child what they have been learning about this week.

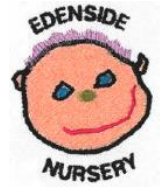

At Edenside, "WE LOVE SCIENCE!" [#learning](#) [#laughter](#) [#love](#)

School Bulletin

14th March 2025

Cross Country Successes!

We were delighted with the results from the Kelso Schools Cross Country event that took place last week:

Edenside won the Kelso Primary School event! We had some particularly brilliant individual results too:

P7 boys – Isaac Hastie 1st

P6 girls – Rose Davidson 1st; Eve Barton 2nd

P6 boys – Cam Scott 1st; Oliver Tait 3rd.

The children who performed the best in the Kelso competition were entered into the Borders Cross Country final which took place yesterday at Netherdale. (4 x P7 boys, 3 x P7 girls, 4 x P6 boys and 4 x P6 girls.)

Again, the children were brilliant!! They represented our school so well and we are very proud of them all for participating.

HUGE shout out for:

The P6 Boys Team were first!!! (The first 3 children per school count towards the team event.)

Rose Davidson was 1st in the P6 girls race – she was over a minute ahead of the rest of the field! Wow!

Issac Hastie came 3rd in the P7 boys race.

Thanks to Mr Hastie and Mr Sutton for their coaching input.
