## 25<sup>th</sup> April 2025

Coming soon....

### **SBC are introducing a Parent's Portal**

#### **What is the Parent's Portal?**

[parentsportal.scot](https://parentsportal.scot) | **The digital doorway to your child's school.**

The Parents Portal will go live on 28<sup>th</sup> April. On day 1, all parents and carers will receive an email from SBC, detailing the benefits behind Scottish Borders Council introducing the Parent's Portal. Parents / Carers will be required to have a Mygovscot account which enable them to click on a button to create a link between the Parents Portal and their child's current school record. The link will then be approved by school admin staff.

In the first week of going live, we are aiming to get as many parents to link to their child as possible.

### **Edenside Grows Together**

Mrs Bryce is leading the Edenside Grows together project, with Miss McHarg and Mrs Armstrong from ELC.

This term we are involving all our children in some growing activities, and we are hoping our Poly Tunnel will be used well during this time.

Our aim is to have an 'Edenside Grows Together' Sale on June 19<sup>th</sup>, which will raise some money to buy seeds etc for our next 'growing' challenges.

### **Loose Parts Play**

As part of our Edenside offer, we want to ensure all children have opportunities to play. Children playing with loose parts demonstrate more creativity and imagination and develop more skill and competence than they would playing with fixed purpose toys. It enables children to be curious and be problem solvers. Loose parts could include – natural resources (straw, mud, pine cones); building materials and tools; scrap materials (tyres, guttering; and most essentially random found objects. Loose parts aren't prescriptive and offer limitless possibilities for children to play.

During next week, each class will have some time to access our loose parts resources, led by Mrs White. During the term ahead classes will have time to come and enjoy open ended play opportunities using loose parts.

[\\*Look out for our Facebook requests for donations towards our loose parts resources\\*](#)
