School Bulletin

15th May 2026

UNIFORM ORDER – IMPORTANT INFORMATION – KEEP TO THE DEADLINE TO SAVE MONEY

Uniform has been added to ParentPay accounts for you to order school uniform items you require for your child/children for the 2026/27 session. (ELC are purple; P1-6 are red; P7 are navy). You will find the uniform offer by clicking on the 'pay for other item' tab.

Sizes required should be entered into the notes section which is shown against each item. Sizes available are shown against items in the description.

The deadline for ordering is 22nd May to ensure orders are received before the last day of term.

If you encounter any difficulty regarding this, please call the school office 01835 826533 who will happily assist.

Please note that we get a discount for a bulk school order once a year – this is that time. Any uniform ordered during the rest of the year must be made from parents / cares to a supplier directly, which is significantly more expensive.

Reminders

- P4 – P7, it is important that children bring their ipad to school charged. We use ipads each day in classes, and do not have spare chargers. If you are unable to charge ipads at home, please let us know and send in your child's charger. We can keep the ipad in school and ask your child to plug it in charge at the end of the school day, ready for use the next day.
- Small fidgets are useful for a small number of children, in agreement with school and home. However, there seems to be a trend for everyone to have them, and they are becoming a distraction in class for many. This is often resulting in broken, seeping fidgets which leave a gooey mess to be cleaned up. Please can fidgets be kept at home unless an agreement is in place for your child.
- Football Cards / Toys / Putty are ll to be kept at home, to avoid many upset children. Thank you.

Bikeability

The P6s have participated in bikeability during the last 2 weeks. Some have learnt to ride a bike for the first time and others have learnt how to be safe when cycling on the roads. A super effort from all involved.

Well done the P6s and their instructors!
