26th June 2026

Thank you to all our wonderful families for your incredible support throughout this school year. Your encouragement, partnership, and involvement have made a positive difference in our school community. We are so grateful for everything you do to help our children learn, laugh and love. We hope you enjoy a safe, happy, and restful summer break together. We will be wishing our P7s success as they move on their High Schools next week. We look forward to welcoming everyone else and our new children back in August for another exciting year of learning and success.

ELC Graduation There wasn't a dry eye in the house as we celebrated the journey of some of our youngest learners as they leave nursery and move on to P1 after the holidays. Many thanks to the hard work of staff to make this such a special time for our children.

P6 Ukelele P6 impressed us with their musical talents in assembly today, playing the tunes they have learnt on the ukelele with the support of YMI's Jon Jacobs.

P1 Assembly Our P1s were terrific last Friday, sharing their learning journey through P1 with such confidence. They demonstrated our school values of learning, laughter and love so well.

Please note:

Universal Free School Meals are supplied from ELC to P5 only. P6 and P7 will have to pay for lunches, unless you are eligible for free school meals and have applied for them. Only when the confirmation is through, will the meals be free. [Application - FAQs | Free school meals and help with schoolwear | Scottish Borders Council](#). Many families are eligible for clothing allowance, the criteria is a slightly lower threshold than for school meals. Please follow the link to find out more and make an application.
