Thu 1 st July	Last Day of term and school session

Scooters and Bicycles

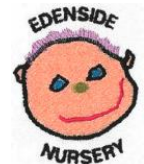

Please ask your children to use their scooters or bicycles with care up to the school gates. Scooters and bicycles are not to be ridden around the playground / to the cycle shed / out of the school gates as there are many pedestrians.

A member of our community has contacted the school with concerns over the speed bicycles are ridden, especially around blind corners near our school, worried about potential accidents.

School Bulletin

September 4th 2026

Showbie

We use the Showbie app to share learning with our children in school. Children have a portfolio on the app to show their special work with home as well as the end of term evaluations. In addition, each class has a community group to share class news and events with families. Please make sure you have joined both for each of your children, so you don't miss information. You can ask the office or class teacher for the codes if you have misplaced / haven't received this information.

Curriculum Overviews

Links to the curriculum overviews were sent out earlier today. This will tell you about the learning your child will be doing during the next few weeks. There are suggestions about things you can do at home.

Bridge Club

Yesterday we had members of the local bridge club come into P6, P6/7 and P7 classes to teach them how to play bridge.

Thank you to the volunteers who came along to make this such a fun learning session for our children.

Music Workshop

P4 and P5s enjoyed a visit from Russell Gray and his son Angus, who shared their musical expertise with us. Listening to such talented musicians was fantastic. Thanks to Yamaha for supporting this visit.

Stay and Play /Meet the Teacher

Thanks to all families who supported our stay and Play in ELC and Meet the Teacher within the school this week. It was lovely to see so many families in school.
