

Literacy

In **reading** we will be learning to:

- Recognise and use an increasing number of harder to read and spell words
- Apply our knowledge of phonics to sound out and blend unfamiliar words
- Summarise or sequence events in a story

In **writing** we will be learning to:

- Consistently use a capital letter and a full stop when writing sentences
- Use a range of conjunctions to make our sentences more detailed

In **listening and talking** we will be learning to:

- Use an appropriate speed and tone when talking and sharing ideas
- Recognise and understand different gestures and expressions

Health and Wellbeing

This term, our lessons will be linked to our 'Human Body' topic. We will explore what our bodies need to remain healthy and discuss the importance of keeping clean.

P2/3P Curriculum Overview October - December 2026

Important Information

Please support your child to be ready for school by:

- Naming all clothing
- Providing a filled water bottle and a healthy snack
- Providing appropriate outdoor clothing, especially in the colder months
- Promoting and practising independence with organising belongings and getting dressed

Please discourage your child from bringing toys to school

IDL

This term we will be learning about the 'Human Body.' We will:

- Identify and name different parts of the body, including important organs
- Investigate the role of our skeleton and joints
- Explore our different senses and how we use them
- Discuss the importance of keeping our bodies healthy

Numeracy and Maths

Subtraction

We will be learning to:

- Use concrete materials to solve subtraction problems

Multiplication

We will be learning to:

- Make arrays to solve problems using the 2, 5 and 10 times tables

Measurement

We will be learning to:

- Make simple estimations about the length, height or weight of an object
- Use different equipment to measure the length, height or weight of an object

Patterns and Relationships

We will be learning to:

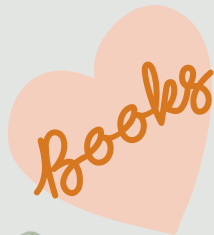

- Continue or create simple repeating patterns using shapes, symbols or numbers

How you can help at home

Reading activities to support decoding and fluency

Each week, online reading homework will be set for every child. The e-books provided correspond to the learning completed in class. Each one is designed to help children identify their new sounds so they can practise blending words. They will also contain a range of harder to read and spell words taught in school. Supporting your child's reading at home can improve their confidence, fluency and decoding abilities. Please encourage your child to read their e-books at home. Every child has an individual account and their login details can be found on the card sent home last week.

Online games to support numeracy

Please tap on the hyperlinks below to find games that will support your child's numeracy:
